## Construction of a bund near Bommanakatte Village Tank in Holalkere Taluk.

652. SRI K.H. SIDDARAMAPPA (Holalkere):—Will the Minister for Minor Irrigation be pleased to state.—

(a) whether it has come to the notice of the Government that the villagers and atchkatdars have represented to the Government that due to the landlords, altering the boundary of halla and by constructing a bund, have obstructed the water flowing to the tank of Bommanakatte village, Holalkere taluk on H.H. Road during the current year and further due to unauthorised cultivation by these landlords in the tank bed, the people and the cattle are suffering for want of water:

(b) if so, the steps taken by the Government in this behalf?

SRI D.B. CHANDRE GOWDA (Minister for Minor Irrigation).—

(a) It has been noticed that the landlords have, in their own lands, constructed the bunds, but have left 15 metre width weist weir for passage of water. As there is scanty rainfall in the area it cannot be said that the non-availability of water is due to this obstruction only.

(b) The Officers after inspecting the spot have issued notices to the concerned landlords to vacate the land.

(b) whether it is a fact that the Community Garden under A.N.P in Chowdadenahalli Village, Kolar Taluk is being enjoyed by a private individual.
